

ANNUAL EDUCATION RESULTS REPORT and THREE-YEAR EDUCATION PLAN Yellowhead Koinonia Christian School Authority November 2017

Yellowhead Koinonia Christian School

430 72nd Street, Edson, Alberta, T7E 1N3 Phone 780-723-3850 Fax 780-723-7566

E-mail: office@ykcschool.com Website: ykcschool.com Administrator, Jason Rand

Message from the Board Chair (optional)

2016/2017 was another successful year at YKCS. With a 25 percent increase in enrollment, one new teacher hired and a pilot options class completed, we are moving in a positive direction. Half way through the year we hired a new support staff. With three new board members, a trades program, French instruction and new outreaches, we are prepared and excited for the future. Our school has once again shown that we offer a safe and caring environment for each student and staff member. We are pleased with the interpreted survey results and optimistic for the future of YKCS.

Respectfully submitted,

Benj Braun

YKCS Board Chair

Accountability Statement
The Annual Education Results Report for the 2016 - 2017 school year and the Education Plan for the three years commencing September 1, 2017 for Yellowhead Koinonia Christian Education Society were prepared under the direction of the Board in accordance with its responsibilities under the <i>Private Schools Regulation</i> and the <i>Education Grants Regulation</i> . This document was developed in the context of the provincial government's business and fiscal plans. The Board has used the results reported in the document, to the best of its abilities, to develop the Education Plan and is committed to implementing the strategies contained within the Education Plan to improve student learning and results.
The Board approved this combined Annual Education Results Report for the 2016/2017 school year and the three-year Education Plan for 2017 – 2020 on NOVEMBER 28th, 2017.
:

Foundation Statements (optional)

Vision Statement:

YKCS has a vision to glorify our Lord Jesus Christ by preparing students through a quality education characterized by academic excellence and a foundation of truth as revealed in God's Word. As a distinctly Christian, independent school, YKCS is committed to an example of integrity and service in our community and in developing graduates who understand, embrace and live out a thoroughly Christian worldview.

"Teach me Your way, O Lord; I will walk in Your truth;
Unite my heart to fear Your name.
I will praise You, O Lord my God, with all my heart,
And I will glorify Your name forevermore." Psalm 86: 11-12

Christian School:

- YKCS is committed to remaining an independent Christian school.
- YKCS will have integrity in all of our communications and business dealings in order to be salt and light in our community.(Matt.5:13-16) (Phil.1:27)
- YKCS will encompass all of our endeavors, all of our student body, our parents and staff with prayer. (Phil. 4:4-7, Col. 4:2)

Students:

- Our students will experience teaching from a Biblical worldview. They will be encouraged to care for their minds
 as the mind of Christ, their bodies as the temple of the Holy Spirit and their hearts submitted in love to the
 authority of Jesus Christ. (Phil. 4:8-9 Phil. 2:5 | Cor. 6:19-20 Matt. 22:37 Deut. 6:5)
- The vision of YKCS is to build a variety of programs that enable our students to achieve beyond expectations and circumstances, giving God the glory for all opportunities and successes. (I Cor. 10:31, Col. 3:23, 2 Thess. 1:11-12)

Staff:

- The parents, teachers, board and staff will work together in harmony to provide a godly example for students both in and outside of school. (Phil. 2:1-4. Romans 15:5-7. Ephesians 4:1-6)
- Teachers, board, and staff of YKCS will attend a Bible-believing church that is in agreement with the school's statement of faith, and will be encouraged to grow through the study of God's Word and in serving God through their local church. (2 Timothy 3:16-17, 2 Cor. 9:8, Galatians 6:10, Hebrews 10: 24-25)

Academic Excellence:

- The students of YKCS will have the opportunity to achieve their individual potential through a well-rounded education that meets or exceeds provincial standards.
- Graduates will be prepared for the post-secondary education of their choice, including university and technical school.
- The school will seek out creative ways to expand taught electives in order to facilitate the God- given gifts of our students.
- YKCS will equip students to pursue life-long learning.
- YKCS students will be encouraged to attend a Bible college or similar experience upon graduation in order to further establish themselves in the Christian faith.

Foundation of Truth: "...a knowledge of the truth that leads to godliness" Titus 1:1

- YKCS will employ teaching staff who are able to teach from a Biblical worldview, and will provide training
 opportunities for staff relating to integrating God's Word into all subject matter. (Hebrews 4:12)
- YKCS students will be equipped to share and defend their faith in Christ with their peers, and as graduates in the larger global community. (1 Peter 3:15)

Mission Statement:

Yellowhead Koinonia Christian School is a Christ-centered discipleship school that exists to assist Christian families in developing the spiritual lives and academic potential of its students.

Statement of Faith:

- 1. We believe that the Bible, containing the 66 books of the Old and New Testaments, is the only inspired, inerrant, infallible Word of God and is the final authority on the Christian faith and life (2 Timothy 3:16; 2 Peter 1:32).
- We believe there is only one God, who exists eternally in three equal persons Father, Son, and Holy Spirit and Who created out of nothing the heavens and the earth and all that is in them by the power of His spoken word (Genesis 1:1; Genesis 1:26; Psalm 33:6; Matthew 28:19; John 1:1-3; Mark 1:9-11; Hebrews 11:3).
- 3. We believe that Jesus Christ is both true God and true man (Exodus 3:13-15 and John 8:58-59; John 1:1-18; John 10:30-33; Galatians 4:4-5; Philippians 2:5-8; Hebrews 2:14-18). We believe in His virgin birth (Isaiah 7:14; Matthew 1:18-23; Luke 1:26-35); His sinless life (Hebrews 4:14; Hebrews 7:26); His miracles (John 2:11); His substitutionary death (Romans 4:25; Romans 5:8; Galatians 3:13-14; Hebrews 2:9); His physical resurrection (Luke 24:39-43; 1 Corinthians 15:1-22); His ascension to the right hand of the Father (Mark 16:19; Luke 24:50-53); and His personal, visible, and bodily return in power and glory to judge the living and the dead (Acts 1:11; Revelation 20:11-15; Revelation 22:12).
- 4. We believe that men and women were created by God in His own image (Genesis 1:27; Genesis 9:6), that marriage was instituted by God whereby a man and a woman are joined together in lifelong commitment to faithful companionship, and that Biblical marriage is the only legitimate and acceptable context for sexual intimacy (Genesis 2:20-24; Matthew 19:4-6; Romans 7:2; I Thessalonians 4:1-8; Hebrews 13:4). We believe that all men and women are born spiritually separated from God because of sin (Genesis 3:23-24; Romans 3:10-12; I John 1:8-10), and are incapable of being reconciled to God apart from the work of Jesus Christ (Romans 5:6-8; Acts 4:12; Ephesians 2:1-5).
- 5. We believe in the absolute necessity of rebirth by the Holy Spirit for salvation (John 3:1-3; 1 Peter 1:23). We believe that man is justified (declared righteous) by God on the single ground of the righteousness of Jesus Christ (namely, His sacrificial and atoning death on the cross to pay the penalty for sin, and His perfect obedience) freely given to all who believe in Him. We believe that this saving work and perfect righteousness of Jesus Christ can only be received by faith alone (Isaiah 53:1-12; Jeremiah 23:6; Matthew 20:28; John 3:16-19; John 5:24; Romans 3:21-26; Romans 4:1-3; Romans 5:8-19; Romans 10:1-10; 1 Corinthians 1:30; 2 Corinthians 5:21; Galatians 2:21; Ephesians 2:8-9; Philippians 3:7-9; 1 John 4:10).
- 6. We believe in the physical resurrection of both the saved and the lost. Those who are saved will rise to eternal life, and those that are lost to eternal punishment (Matthew 16:27; John 3:28-29; Matthew 25:46; 1 Corinthians 15: 12-17).
- 7. We believe that the Church is the body of born-again believers in fellowship with Christ and with fellow believers (1 Corinthians 12:12-13; Ephesians 2:19-21; Hebrews 10:25).
- 8. We believe in the presence and power of the Holy Spirit, Who indwells believers enabling them to live a Godly life (Romans 8:13-14; 1 Corinthians 3:16; 1 Corinthians 6:19-20; Ephesians 2:10; Ephesians 5:15-21).

While Yellowhead Koinonia Christian School acknowledges and respects the legitimate differences that exist within evangelical theology, only the above doctrines will be taught as truth in our school.

A Profile of the School Authority (optional)

Yellowhead Koinonia Christian School (Y.K.C.S.) is located at 430-72 Street, Edson, Alberta. The building, which includes a gymnasium, chapel, and commercial kitchen was completed and ready for classes in September 2003. The school building also contains 7 classrooms, a learning commons, administration offices, chapel, and a resource room. The school has existed for over 25 years but in June of 1997 became a part of Koinonia Christian Schools, now following the policies and procedures of this organization. This accredited, independent, interdenominational school is parent owned and parent operated with parental involvement in all aspects of school operation. Each year members in good standing with the Society elect parents to our local school board. Y.K.C.S. is a member of the Association of Christian Schools International (ACSI) and the Association of Independent Schools and Colleges of Alberta (AISCA).

Enrollment at Y.K.C.S. averages 70 students from kindergarten to grade 12 in the day school program and 26 home school students. There are four full time teachers, one 0.25 FTE teacher, one special needs aide (shared position), two home school coordinators, two journeymen support staff, a full time administrator/teacher and a 0.75 FTE administrator/teacher.

Y.K.C.S. offers a 544-hour ECS program every Monday, Wednesday and Friday throughout the school year. The student/teacher ratio being low enables much individual attention, and provides a stimulating, interactive environment where students can experience success.

Y.K.C.S offers Christian based education and is committed to spiritual and academic excellence in all things for the glory of God.

Features:

- Qualified/certified teachers
- A Biblical worldview curriculum
- · Phonics-based reading program
- Ample opportunity for parental involvement
- A non-denominational philosophy and organization
- Bible instruction and Christian service opportunities
- Personalized programming to accommodate a wide range of abilities
- Core subjects, integrated computer technology, daily physical education, Music, Art, Drama, CTS, Green Certificate, Work Experience and RAP
- Comprehensive High School Program
 - o enabling students to be successful whether they continue their education in university or technical school or move directly into the work force.
 - o providing an academic program geared toward post-secondary entrance and encouraging as many students as possible to pursue those options.
 - with necessary modifications to the core program to ensure all students can be successful whether or not they are university bound
 - o Distributed Learning is available from other Koinonia Schools to provide teacher taught classes where we are unable to
 - electives available as an enrichment to the core program
- Accredited by the Alberta Education
- Provide a safe and caring environment
- Home School Program available
- Member of Koinonia Christian Schools
- Member of the Association of Christian Schools International
- Member of the Association of Independent Schools and Colleges of Alberta

Trends and Issues (optional)

Y.K.C.S. is a very small K – 12 school. It is important to ensure that our students are receiving the best possible academic instruction and assessment, and that they are being challenged to be lifelong learners in pursuit of knowledge. They will acquire skills and attitudes necessary for successful living in our global society. They will come to a better understanding of how God reveals himself through all of creation.

We are operating with a kindergarten/ grade 1-2 combined class. The grade 3/4, 5/6 and 7/8 are separated into two grade split classes for Math, Science, English Language Arts, Bible and Social Studies and into multi grade classes, Grade 3-5 and grade 6-8 for Health and the non-core subjects. The rest of the school will continue to operate with a grade 9-10 combined class and a grade 11-12 combined class. We continue to operate with one Full-time Receptionist/Bookkeeper.

Through the use of ADLC and Koinonia @ Home (Distributed Learning) we continue to expand the core streams and electives available to the High School Students. We operate with a low student to teacher ratio, which helps our students' educational experience, both in terms of breadth and depth. As we make real connections between students' academic, spiritual, and cultural experiences, we equip them to be more successful in an increasingly fragmented world where it is becoming increasingly difficult to live a satisfied, fulfilled life.

An ongoing challenge is fundraising in order to provide necessary resources to operate the school. The Administration and the Board continue to seek innovative ways to raise funds.

Another challenge is to demonstrate both to the Christian community and to the public, that Christian education is not exclusionary. Our goal is not to separate our students and shelter them. Instead our goal is help Christians to understand their faith and know how to be effective participants in a secular society. Christian education is intentional about growing students strong enough in their faith that they can, with Biblical faithfulness, express the love of Christ in any society and circumstance. Our success in this area will be crucial over the next few years for protecting our recognition as a valid, distinct and meaningful alternative to public education.

Summary of Accomplishments (optional)

Maintained:

- Students were able to go on numerous educational Field Trips, such as: Camp out, Edson Museum, Bullying Awareness Presentation, Hinton science excursion, Pond Study, volunteer excursion to Brightwood Ranch, helping to move our long term care unit to a new facility, among other trips.
- The Elementary had a track and field day in which some of our homeschool students came and participated too.
- We held a Spiritual Emphasis Week in which we had a guest speaker speaking to the students. The Elementary students made thank you cards for numerous people who help in our school community. They also did some cleaning around the school. The Jr. & Sr. High visited at Parkland Lodge and the Nursing Home.
- We were able to visit local churches with a promotional video and information on our school.
- The school's Student Body, under the leadership of the Student Council, continues to raise enough money to support a Sponsor Child.
- · We continued to implement a student-led discipleship element to our weekly chapels
- We held a hugely successful Annual Goods and Services Auction
- We use Koinonia @ Home's distributed learning in order to provide streaming options for our High School students.
- Our junior badminton team took first out of six spots at the municipal finals.
- · We held a large fundraising event with supper and entertainment by Phil Callaway; a Christian humorist.
- Our school was responsible for canvasing the Glenwood area, where our school is located, during the Edson Annual Food Bank Drive.
- Christmas Wreath and Poinsettia fundraiser
- A movie club was started to consider cultural / ideological elements of popular films in light of their faith...
- The board has continued to use intentional goals based on a SWOT analysis led by our two superintendents.
- Career fair for senior students

New:

- We continued to sort through our storage rooms and improve storage capacity with industrial shelving..
- One of our strongest student councils ever was highly engaged in creating and leading activities for the whole school.
- One of our teachers coordinated and took a group of students on a mission trip to serve people in Guatemala.
- · We started fundraising with Calahoo Meats.
- Our French teacher launched a French Café night to promote our French programing.
- · CALM students went to a publically offered DARE program.
- We recruited two trades people to teach CTS welding courses.

- self-identified First Nations, Metis and Inuit), exception (e.g., learning disability) and grant program codes (e.g., English as Second Language students) reported in previous years

Measure Evaluation Reference (Optional)

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the 3 year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the 5 achievement evaluation levels for each measure.

Measure	Very Low	SPIT LOWER BY	Intermediate	High	Very High

Notes:

- 1) For all measures except Drop Out Rate: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%
- 2) Drop Out Rate measure: As "Drop Out Rate" is inverse to most measures (i.e. lower values are "better"), the range of values at each evaluation level is interpreted as greater than the lower value and less than or equal to the higher value. For the Very High evaluation level, values range from 0% to less than or equal to the higher value.

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the 5 improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined 12 2 2 2 2 2 2 2 2 2 2 2 2 2 2 2 2 2 2	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

			Achievement		
Improvement	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	
Maintained	Excellent	Good	Acceptable	ALCOHOLD CONTRACT	Concern
Declined	Good	Acceptable	All Controls (Controls of	Control of example	Concern
Declined Significantly	Acceptable			Concern	Concern

Category Evaluation

The category evaluation is an average of the Overall Evaluation of the measures that make up the category. For the purpose of the calculation, consider an Overall Evaluation of Excellent to be 2, Good to be 1, Acceptable to be 0, Issue to be -1, and Concern to be -2. The simple average (mean) of these values rounded to the nearest integer produces the Category Evaluation value. This is converted back to a colour using the same scale above (e.g. 2=Excellent, 1=Good, 0=Intermediate, -1=Issue, -2=Concern)

Outcome One: Alberta's students are successful

Performance Measure						Target 2017	Achievement		nt Overall			
Overall percentage of students in Grades 6 and 9 who achieved the acceptable standard on Provincial Achievement Tests (overall cohort results).	92.3	57.7	78,1	56.3	82.1		High	Improved	Good	80	80	80
Overall percentage of students in Grades 6 and 9 who achieved the standard of excellence on Provincia! Achievement Tests (overall cohort results).	28.2	7.7	9.4	14.6	14.3		Intermediate	Maintainec	d Acceptable	20	20	20

Comment on Results (OPTIONAL)

Our variation year over year is a result of teaching the social studies / science 5 curriculum one year and then grade 6 the next year. This means that in 2014, 2016, 2018 and 2020 grade 5 / 6 students will be doing the grade 5 curriculum and therefore not necessarily writing their grade 6 PAT in their grade 6 year making the results for those years appear as if the school is achieving below expected / desired standards. Due to this curriculum cycle and the way 'unwritten' tests are calculated we cannot maintain more level results and target goals are hard to predict.

As well, in a school where the average grade has between 6 and 7 students, we have a limited cohort which inflates variances from the mean. Subsequently, Both gains and losses in these measures are always going to "appear" significant until we have a larger population sample. We still need to pay attention to them, particularly trending over multiple years, but we do need to take these results with a grain of salt.

Strategies

Maintained:

- Maintain accountability of professional development growth plans for teaching staff.
- Thorough examination of PAT results to determine strengths and weaknesses of program delivery by administration and communication of general results to teachers.
- Increased emphasis on staff in-service to better accommodate individual differences.
- Emphasis on study skills implemented in the early grades.
- Encourage all families to utilize the potential of the school website for obtaining information, checking homework and submitting assignments.
- Increased communication with parents through newsletters and conferences regarding the value and benefits of studying and regular review of curriculum covered.
- Encourage staff to spend time preparing students for the format used for PAT exams beforehand.
- Ensure that students understand the importance of testing and they need to apply themselves, especially targeting the Grade 9s, where these tests will determine whether they take 10-1 or 10-2 courses.
- Give students more opportunities to experience Multiple Choice Exams.
- Use Successmaker Program, Math and Reading, which is available to use through Koinonia Christian Education Society for all students in Grades K 10, to assess and help Improve their grade level skills.
- In-service the teachers on how to use Successmaker reports and custom courses to better help students grade level skills.
- Students collaboratively learn in technological environments to increase word processor familiarity and strategy sharing.

New:

 Teachers are required to analyze standardized test results for strengths / weaknesses and report findings and modified strategies to administration.

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- 2. Overall evaluations can only be calculated if both improvement and achievement evaluations are available.
- Aggregated PAT results are based upon a weighted average of percent meeting standards (Acceptable, Excellence). The weights are the
 number of students enrolled in each course. Courses included: English Language Arts (Grades 6, 9, 9 KAE); Français (Grades 6, 9); French
 Language Arts (Grades 6, 9); Mathematics (6, 9, 9 KAE); Science (Grades 6, 9, 9 KAE); and Social Studies (Grades 6, 9, 9 KAE).
- 4. Participation In Provincial Achievement Tests was impacted by the flooding in June 2013 (Grade 9 only) and by the fires in May to June 2016. Caution should be used when interpreting trends over time for the province and those school authorities affected by these events.

Outcome One: Alberta's students are successful (continued)

Comment on Results (OPTIONAL)

From our feed back since the graduating class of 2014 we have had 7 graduates continue on and 6 who have not continued on to post secondary since graduation.

Our grade 12 class is still too small to derive much meaning from these performance standards.

Based on anticipated enrollment the targets reflect realistic expectations.

Strategies

Maintained:

- Encourage high school students to participate in career fairs.
- Provide opportunity for high school students to be involved in job/career planning exercises through web sites, informal inventories, and in-class presentations. E.g. www.alis.gov.ab.ca
- Seek appropriate placement for individual students in work experience programs, Green Certificate and RAP
- Have a minimum of 2 practice exams in each diploma course.
- Include more diploma type questions in chapter and unit tests.
- Encourage students experiencing difficulty to take Grade 12 over two year period.
- Develop alternative ways for students to access courses, giving them the best opportunity for success (i.e. ADLC or Koinonia @ Home)
- Ensure that course planning is followed up routinely in grade 10,11,12

New:

Expand job shadowing to include grade 11's and optionally 12's.

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- Overall evaluations can only be calculated if both improvement and achievement evaluations are available.
- Diploma Examination Participation, High School Completion and High school to Post-secondary Transition rates are based upon a cohort of grade 10 students who are tracked over time.
- 4. Aggregated Diploma results are a weighted average of percent meeting standards (Acceptable, Excellence) on Diploma Examinations. The weights are the number of students writing the Diploma Examination for each course. Courses included: English Language Arts 30-1; English Language Arts 30-2; French Language Arts 30-1; Français 30-1; Mathematics 30-1; Mathematics 30-2; Chemistry 30; Physics 30; Biology 30; Science 30; Social Studies 30-1; and Social Studies 30-2.
- 5. Caution should be used when interpreting evaluations and results over time for Mathematics 30-1/30-2, as equating was not in place until the 2016/17 school year. Alberta Education does not comment on province wide trends until it has five years of equated examination data.
- 6. Participation in Diploma Examinations was impacted by the flooding in June 2013 and by the fires in May to June 2016. Caution should be used when interpreting trends over time for the province and those school authorities affected by these events.
- 7. Weighting of school-awarded marks in diploma courses increased from 50% to 70% in the 2015/2016 school year. Caution should be used when interpreting trends over time.
- 8. Due to the change from previous data source systems to Provincial Approach to Student Information (PASI), Rutherford Scholarship Eligibility Rate results prior to 2015 are not available.

Outcome One: Alberta's students are successful (continued)

Comment on Results (OPTIONAL)

Commentery on results, such as contextual information, factors affecting performance or actions taken by the jurisdiction that may have contributed to evaluations of "Improved" or "Improved significantly" on Accountability Pillar measures, may be included.

We are pleased with these results. Y.K.C.S students demonstrate active citizenship beyond our walls, (e.g. sponsoring children from 3rd world countries and assisting in the local Senior's Lodge).

We continue to instruct students in the characteristics of active citizenship and to hold them more accountable to the Biblical standards of citizenship that the school stands for.

The philosophy of the school is that students that attend or graduate from our school would be taking responsible roles in church/parachurch organizations. As a Christian school we are teaching values which we trust will be engaged with in future jobs or occupations.

Strategies

Maintained:

- · Hold students accountable at all grade levels for good attendance, assignments turned in on time, etc.
- Encourage all families to utilize the potential of the school Website for obtaining information, checking homework and submitting assignments.
- Seek opportunities for students to be involved in the work world, e.g. job shadowing, kids to work day, career fair.
- "Gotcha" Award Initiative to recognize and reward positive attitudes and behaviors.
- Teach concepts of love, responsibility, stewardship, and servant-hood from a biblical perspective.
- Maintain implementation of Biblical principles into all subject areas.
- Encourage student participation in Student Council and Leadership seminars.
- Maintain the opportunity for students to be involved in cross-cultural work
- Maintain the opportunity for students to be involved in Work Experience, Green Certificate and RAP.
- Teacher facilitated service projects for the community.

New:

Hold 'Student Vote' activities during election times.

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- 2. Survey results for the province and school authorities were impacted by the changes in the number of students responding to the survey through the introduction of the OurSCHOOL/TTFM (Tell Them From Me) survey in 2014.

Outcome One: Alberta's students are successful (continued)

Performance Méasure							Achlevement					s 2020
Percentage of teacher and parent satisfaction that students demonstrate the knowledge, skills and attitudes necessary for lifelong learning. (This measure is required for charter and private school authorities with only K-9 schools)	96.6	95.7	95.8	88.0	96.6	97	n/a	n/a	n/a	97	97	97

Comment on Results (OPTIONAL)

This year we clarified to students that "I do not know" is interpreted as a negative response, not neutral so if students feel neutral on the issue they can leave questions blank so that their response will not be misinterpreted, bringing us back to our historical averages.

Strategies

Maintained:

- Incorporate more ADLC option time for students to explore areas of interest independently (with supervision).
- · Encourage students to seek resources online that will be available to them after completion of school.
- For online programming (ADLC and Koinonia @ Home) supervisors are to suggest problem solving strategies rather than
 assistant directly in answering questions to promote student self-direction and confidence upon completion.
- Promotion of post-secondary view days.
- · Have post-secondary presentations and materials available.
- Bring in parents to come talk to sr. students about their jobs and knowledge growth requirements.

New:

Encourage teachers to incorporate more student interest based learning projects (eg. Science / Bible Fair).

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- 2. Survey results for the province and school authorities were impacted by the changes in the number of students responding to the survey through the Introduction of the OurSCHOOL/TTFM (Tell Them From Me) survey in 2014.

Outcome Two: The systemic education achievement gap between First Nations. Métis and Inuit students and all other students is eliminated

(Results and evaluations for First Nations, Métis and Inuit measures are required for

Comment on Results (OPTIONAL)

Commentary on results, such as contextual information, factors affecting performance or actions taken by the jurisdiction that may have contributed to evaluations of "Improved" or "Improved significantly" on Accountability Pillar measures, may be included.

We currently have no status FNMI students attending our school and one student who could but does not identify.

Strategies Maintained

- Continue to include outcomes that reflect the diversity of all students. Respect for diversity is an integral part of everything we do in the school.
- We will ensure that FNMI perspectives are taught in our Social Studies programs.
- We seek opportunities for all students to be involved in the work world, e.g. job shadowing, kids to work day, career fair.

New

Teachers and Administration are encouraged to go to workshops about how to infuse content into their lessons and learn more about FNMI issues.

- Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- Overall evaluations can only be calculated if both improvement and achievement evaluations are available.
- Aggregated PAT results are based upon a weighted average of percent meeting standards (Acceptable, Excellence). The weights are the number of students enrolled in each course. Courses included: English Language Arts (Grades 6, 9, 9 KAE); Français (Grades 6, 9); French Language Arts (Grades 6, 9); Mathematics (6, 9, 9 KAE); Science (Grades 6, 9, 9 KAE); and Social Studies (Grades 6, 9, 9 KAE).

 Participation in Provincial Achievement Tests was impacted by the flooding in June 2013 (Grade 9 only) and by the fires in May to June 2016.
- Caution should be used when interpreting trends over time for the province and those school authorities affected by these events.
- Aggregated Diploma results are a weighted average of percent meeting standards (Acceptable, Excellence) on Diploma Examinations. The weights are the number of students writing the Diploma Examination for each course. Courses Included: English Language Arts 30-1; English Language Arts 30-2; French Language Arts 30-1; Françals 30-1; Mathematics 30-1; Mathematics 30-2; Chemistry 30; Physics 30; Biology 30; Science 30; Social Studies 30-1; and Social Studies 30-2.
- Caution should be used when interpreting evaluations and results over time for Mathematics 30-1/30-2, as equating was not in place until the 2016/17 school year. Alberta Education does not comment on province wide trends until it has five years of equated examination data.
- Participation in Diploma Examinations was Impacted by the flooding in June 2013 and by the fires in May to June 2016. Caution should be used when interpreting trends over time for the province and those school authorities affected by these events.
- Weighting of school-awarded marks in diploma courses increased from 50% to 70% in the 2015/2016 school year. Caution should be used when interpreting trends over time.

Outcome Two: The systemic education achievement gap between First Nations, Métis and Inuit students and all other students is eliminated (continued)

Comment on Results (OPTIONAL)

Commentary on results, such as contextual information, factors affecting performance or actions taken by the jurisdiction that may have contributed to evaluations of "Improved" or "Improved significantly" on Accountability Pillar measures, may be included.

We currently have no status or self-identifying FNMI students in grades 10 – 12.

Strategies Maintained

- Continue to include outcomes that reflect the diversity of all students. Respect for diversity is an integral part of everything we do in the school.
- We will ensure that FNMI perspectives are taught in our Social Studies programs.
- Increase Teacher Resources which support FNMI perspectives and worldview.
- We seek opportunities for all students to be involved in the work world, e.g. job shadowing, kids to work day, career fair.

New

 Teachers and Administration are encouraged to go to workshops about how to infuse content into their lessons and learn more about FNMI issues.

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- Overall evaluations can only be calculated if both improvement and achievement evaluations are available,
- 3. Diploma Examination Participation, High School Completion and High school to Post-secondary Transition rates are based upon a cohort of grade 10 students who are tracked over time.
- 4. Weighting of school-awarded marks in diploma courses increased from 50% to 70% in the 2015/2016 school year. Caution should be used when interpreting trends over time.
- 5. Due to the change from previous data source systems to Provincial Approach to Student Information (PASI), Rutherford Scholarship Eligibility Rate results prior to 2015 are not available.
- 6. Student demographic data used when calculating Student Outcome Measures and Provincial Achievement Tests results was updated in October 2016. This impacted results based on enrolment (e.g., self-identified First Nations, Métis and Inuit), exception (e.g., learning disability) and grant program codes (e.g., English as Second Language students) reported in previous years.

Outcome Three: Alberta's education system is inclusive

								Evaluation				
Performance Measure	2013	2014	2015	2016	2017	2017	Achievement	Improvement	Overall	2018	2019	2020
Percentage of teacher, parent and student agreement that: students are safe at school, are learning the importance of caring for others, are learning respect for others and are treated fairly in school.		92.0	94.4	95.4	97.4	97	Very High	Improved I	Excellent		97	97

Comment on Results (OPTIONAL)

Our school community is full of families who are committed to Christian education and believe that Biblical values foster safe and caring environments. Some of them have been at the school for a long time and worked with the school in offering their children a safe, respectful educational environment.

Strategies Maintained:

- Integrate concepts of caring and respect for others in school wide assemblies.
- Utilizing Student Council and Leadership to help model the importance of caring for others, respecting
 others and treating others fairly.
- Maintain requirement that staff attend the August and November Professional Development opportunities through Koinonia Schools and ACSI.
- Encourage staff to attend other PD opportunities with AISCA, Edmonton Regional Consortium, etc.
- Increase teacher-student interaction outside the class through lunchtime gym activities and Learning Commons board games.
- Teacher facilitated service projects for the community.

New:

- Bus safety presentations.
- The school is forming a group to discuss Identity Issues.

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- 2. Survey results for the province and school authorities were impacted by the changes in the number of students responding to the survey through the introduction of the OurSCHOOL/TTFM (Tell Them From Me) survey in 2014.

Outcome Four: Alberta has excellent teachers, and school and school authority leaders

Performance Measure	Res 2013	ults (i 2014	n per 2015	centa 2016	ges) 2017	Target 2017	Achievemen	Evaluation I Improvement Overall	2018	Carget 2019	s 2020
Percentage of teachers, parents and students satisfied with the opportunity for students to receive a broad program of studies including fine arts, career, technology, and health and physical education.		76.3				80	Very High	Improyed Excellent	80	80	80

Comment on Results (OPTIONAL)

From grades 9 to 12 we have 13 students. We offer a flexible program for such a small high school. Given limited teaching resources and class sizes it can be challenging to meet the expectations of students who gave a significantly lower score in this area than teachers and parents.

Despite the low score from students the increase in score is due to significantly more positive responses from both teachers and students. This is likely due to the launch of our welding program, the creation of an art room, a second teacher taught high school science class and the option for students to select ADLC courses of interest rather than being bound to do a single course that a teacher predetermines.

Strategies

Maintained:

- Address parental involvement in decisions affecting their students at parent-teacher conferences.
- Large Scale Christmas Musical, K 5, put on every year. All students grades 6-12 are asked to help in the musical.
- Continue implementing a compulsory high school planning guide for all students entering high school together with their parents.
- Continue utilizing alternative ways for students to access courses, giving them the best opportunity for success (i.e. ADLC).
- Increase awareness of the programs and flexibility we do offer.
- Promote and involve students and parents in the delivery of the school's vision by increasing awareness of the vision and encouraging input and involvement in how the vision is carried out.
- Scheduled ADLC option times.
- Koinonia @ Home offers course streaming for High School.
- Grade 1 6 mandatory French language studies.

New:

Implementation of a new sexual health curriculum.

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- Survey results for the province and school authorities were impacted by the changes in the number of students responding to the survey through the introduction of the OurSCHOOL/TTFM (Tell Them From Me) survey in 2014.

Outcome Five: Alberta's education system is well governed and managed

Performance Measure						Target Evaluation Targets	************
Percentage of teachers, parents and students indicating that their school and schools in their jurisdiction have improved or stayed the same the last three years.			83.0	220020000		2017 Achievement Improvement Overall 2018 2019 20 Very High Significantly Excellent	920
Percentage of teachers and parents satisfied with parental involvement in decisions about their child's education.	91.2	97.9	99.3	97.7	99.1	Very High <u>Maintained</u> Excellent	
Percentage of teachers, parents and students satisfied with the overall quality of basic education.	92.9	92.4	97.1	92.2	96.9	Very High Maintained Excellent	

Comment on Results (OPTIONAL)

This year we clarified to students that "I do not know" is interpreted as a negative response, not neutral so if students feel neutral on the issue they can leave questions blank so that their response will not be misinterpreted, bringing us above our historical averages.

Performance Measure 1

In terms of the historical data presented above we are excited about the perceived improvement of the school. This is likely due again to the options given to students and the creation of a functional learning common.

Performance Measure 2 & 3

From grades 9 to 12 we have 13 students. We offer a flexible program for such a small high school and this is reflected by the very high achievement of the second performance measure.

The mission of the school is that we are here to assist parents in the spiritual and academic potential of their students. The school administration and the Board of Directors have adopted an open door policy and invite parent involvement and interaction on an ongoing basis.

Our school community is full of families who are committed to Christian education. They have been at the school for a long time and worked with the school in presenting their children with a great educational experience.

Strategies

Maintained:

- Require that staff attend the August and November Professional Development opportunities through Koinonia Schools and ACSI.
- Encourage staff to attend other PD opportunities with AISCA, Edmonton Regional Consortium, etc.
- Keep staff accountable to professional development growth plans.
- Require that staff attend Professional Development opportunities through Koinonia Schools and ACSI.
- School staff will communicate to parents that they are regularly available to meet to discuss issues after school
- Teacher Assistant assists in the three grade split, K-2.
- Encourage students and parents to utilize the school website for obtaining information, checking homework and submitting assignments.
- Continue implementing a compulsory high school planning guide for all students entering high school together with their parents.
- Communication books K 8
- Seek ways to increase parent involvement in AGM and Parent-Teacher Fellowship evenings.
- Address parental involvement in decisions affecting their students at parent-teacher conferences.
- Promote and involve students and parents in the delivery of the school's vision.
- Encourage parents and staff to be more proactive in looking for opportunities to collaborate in the children's school experience (from academic performance, to social responsibility, to spiritual development, to classroom and school management or discipline).

New:

- Parents have become more active in government affairs and have taken more of an interest in the school and making their opinions known.
- Providing Sr. High students with options classes in trades / arts as well as choice from ADLC.

Votes:

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- 2. Survey results for the province and school authorities were impacted by the changes in the number of students responding to the survey through the introduction of the OurSCHOOL/TTFM (Tell Them From Me) survey in 2014.

Note:

Future Challenges (Optional)

The primary challenge of our school community is still to increase our student population (we did grow by about 23% this last year but coming into this year, 2017 – 2018, we lost a number of students for various reasons). The level of services we have established in order to be successful and allow for growth also require more students than we currently have. The Three Year Plan/AERR Report clearly shows that we have a healthy school that is meeting the needs of our students and the expectations of our parents. Our challenge is to maintain and build upon these accomplishments while increasing our involvement in our community. One potential strategy for this is by increasing news exposure through submission of articles / photos of school life and student accomplishments to the local media sources. As the community gains confidence in our school and our students, we will see the growth needed for our school to thrive long term.

Capital and Facilities Projects
We converted our art room into a classroom for our part time grade 5-6 teacher.
We invested in some new resistance training equipment to begin building a fitness center for our PE students.

Summary of Facility and Capital Plans

- To look at drainage at the East side of the school and repair the eaves trough system.
- To look at paving the parking lot and landscaping in front of the school
- To further improve school visibility and promote upcoming events a school sign is being considered.

Parental Involvement

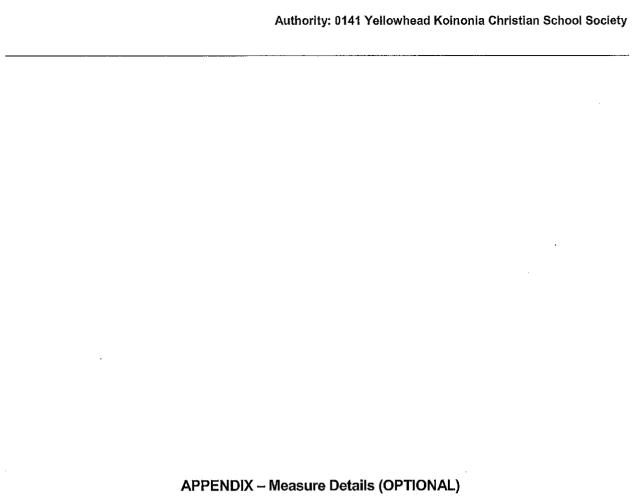

As previously mentioned, many of our parents have been with the school for a long time and parental involvement and satisfaction is at a great place on a parent – teacher level and on a volunteer level. We know the small number of parents in our school community limits this; however, we would like to develop other ways for our parents to be active in our school community. We have already established committees including: Finance, Maintenance, and Promotions/Development. One of the groups we would like to see re-form is a parent group. As we anticipate growth in our school over the next few years, a priority will be to involve and integrate new families into our school community. We are also looking at how to increase attendance at our AGM.

Timelines and Communication

- This 2017 2020 Three Year Plan and 2016—2017 Annual Education Results Review will be posted on the school website under the "Accountability" tab which is under the "Documents" tab on our website: http://www.ykcschool.com
- This Three Year plan and Annual Education Results Review and its location on the web will be communicated to parents and the public through our school newsletters and electronic mail out through our website.
- As a single school jurisdiction, we do not have a school council as such. Stakeholders were invited to submit their opinions, thoughts, ideas and concerns regarding school operations via questionnaire and open discussion during the year.
- The School Board had input in updating the three-year education plans at a regular board meeting.

Whistleblower Protection

 The policy was adopted March 26, 2014. There were no disclosures reported to the chief officer of Yellowhead Koinonia Christian School.

- Achievement Evaluation is not calculated for courses that do not have sufficient data available, either due to too few jurisdictions offering the course or because of changes in examinations.
- Caution should be used when interpreting evaluations and results over time for Mathematics 30-1/30-2, as equating was not in place until the
- 2016/17 school year. Alberta Education does not comment on province wide trends until it has five years of equated examination data. Participation in Diploma Examinations was impacted by the flooding in June 2013 and by the fires in May to June 2016. Caution should be used when interpreting trends over time for the province and those school authorities affected by these events.

Measure Evaluation Reference - Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the 3 year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th, and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the 5 achievement evaluation levels for each measure.

Course	Measure	Very Low	Security 1	Intermediate	Hìgh	Very High
English Lang Arts 30-1	Acceptable Standard	0.00 - 81.51	1815/1918/56	85.05 - 90,15	90.15 - 94.10	94.10 - 100.00
	Standard of Excellence	0.00 - 2.28	1 4 T 4 T	6.43 - 11.18	11.18 - 15.71	15.71 - 100.00

Science 30	Acceptable Standard	0.00 - 64,19	£645191977.06	77,66 - 86,33	86.33 - 98.50	98.50 - 100.00
	Standard of Excellence	0.00 - 0.00	abolocal 14.69	14.69 + 25.03	25.03 - 38.93	38.93 - 100.00

Notes:

- 1. The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.
- 2. Achievement Evaluation is not calculated for courses that do not have sufficient data available, either due to too few jurisdictions offering the course or because of changes in examinations.

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the 5 improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Decines, of Granding Street Holians of the	1.00 - 3.83 (current < previous 3-year average)
Mainlained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

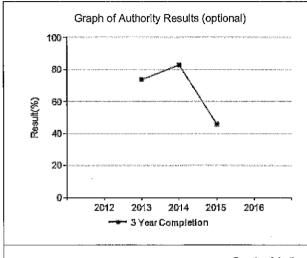

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

	Achievement								
	Very High	High	Intermediate	Low	Very Low				
Improved Significantly	Excellent	Good	Good	Good	Acceptable				
Improved	Excellent	Good	Good	Acceptable	4500				
Maintained	Excellent	Good	Acceptable		Concern				
Declined	Good	Acceptable	James Base (1999)		Concern				
Declined Significantly	Acceptable		and the second	Concern	Concern				

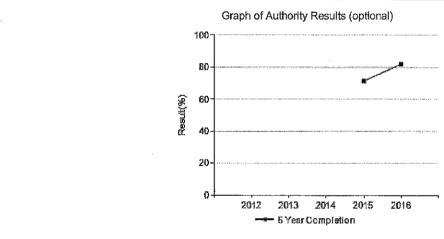

High School Completion Rate - Measure Details (OPTIONAL)

High School Completion Rate - percentages of students who completed high school within three, four and five years of entering Grade 10.

- Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
 Achievement Evaluation is not calculated for courses that do not have sufficient data available, either due to too few jurisdictions offering the 2. course or because of changes in tests.
- Participation in Provincial Achievement Tests was impacted by the flooding in June 2013 (Grade 9 only) and by the fires in May to June 2016. 3. Caution should be used when interpreting trends over time for the province and those school authorities affected by these events.

Measure Evaluation Reference - Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the 3 year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th, and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the 5 achievement evaluation levels for each measure.

Course	Measure	Very Low	Low Intermediate	High	Very High

Notes

- 1. The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.
- Participation in Provincial Achievement Tests was impacted by the flooding in June 2013 (Grade 9 only) and by the fires in May to June 2016.
 Caution should be used when interpreting trends over time for the province and those school authorities affected by these events.
- Achievement Evaluation is not calculated for courses that do not have sufficient data available, either due to too few jurisdictions offering the course or because of changes in tests.

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the 5 improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined: 1.114-id.	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

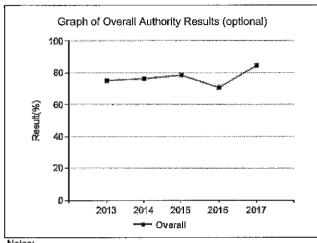

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

	Achievement									
	Very High	Hìgh	Intermediate	Low	Very Low					
improved Significantly	Excellent	Good	Good	Good	Acceptable					
Improved	Excellent	Good	Good	Acceptable	1000					
Maintained	Excellent	Good	Acceptable	a file baller i i i i	Concern					
Declined	Good	Acceptable	SHOP FIRE SHOULD BE	d them sit sharabile	Concern					
Declined Significantly	Acceptable	Is the		Concern	Concern					

Program of Studies - Measure Details (OPTIONAL)

Percentage of teachers, parents and students satisfied with the opportunity for students to receive a broad program of studies including fine arts, career, technology, and health and physical education.

		Authority					Province					
	2013	2014	2015	2016	2017	2013	2014	2015	2016	2017		
Overall	75.1	76.3	78.5	70.7	84.5	81.5	81.3	81.3	81.9	81.9		
Teacher	83,3	91.7	93.8	76.8	100.0	87.9	87.5	87.2	88.1	88.0		
Parent	79.7	82.5	87.5	85.6	92.0	78.9	79.9	79.9	80.1	80.1		
Student	62.1	54.8	54.4	49.8	61.5	77.8	76.6	76.9	77.5	77.7		

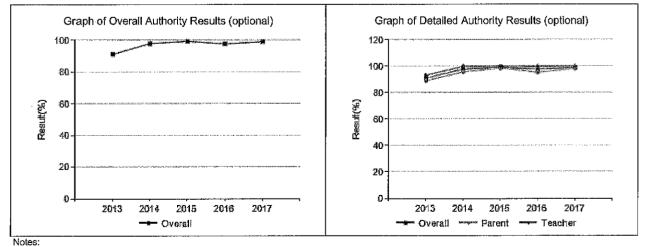

Notes:

- Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- Survey results for the province and school authorities were impacted by the changes in the number of students responding to the survey through the introduction of the OurSCHOOL/TTFM (Tell Them From Me) survey in 2014.

Parental Involvement - Measure Details (OPTIONAL)

			Authority			Province						
	2013	2014	2015	2016	2017	2013	2014	2015	2016	2017		
Overall	91.2	97.9	99,3	97.7	99.1	80.3	80.6	80.7	80.9	81.2		
Teacher	93.3	100.0	100.0	100.0	100.0	88,5	88.0	88.1	88.4	88.5		
Parent	89.1	95.8	98.6	95.4	98.2	72.2	73.1	73.4	73.5	73.9		

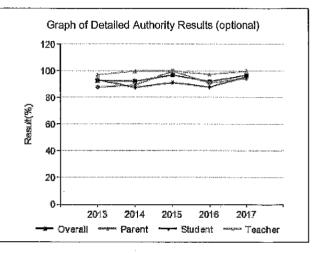

Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).

Education Quality - Measure Details (OPTIONAL)

	Authority					Province					
	2013	2014	2015	2016	2017	2013	2014	2015	2016	2017	
Overall	92.9	92.4	97.1	92.2	96.9	89.8	89.2	89.5	90.1	90.1	
Teacher	97.2	100.0	100.0	97.6	100.0	95.7	95.5	95.9	96.0	95.9	
Parent	87.9	89.5	100.0	91.0	94.7	84.9	84.7	85.4	86.1	86.4	
Student	93.5	87.7	91.4	88.0	95,9	88.7	87.3	87.4	88.0	88.1	

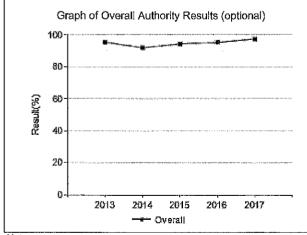

Notes:

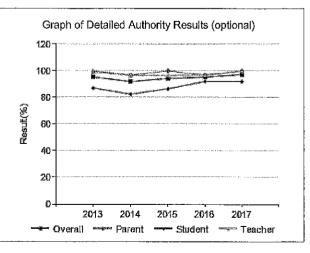

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
- Survey results for the province and school authorities were impacted by the changes in the number of students responding to the survey through the introduction of the OurSCHOOL/TTFM (Tell Them From Me) survey in 2014.

Safe and Caring - Measure Details (OPTIONAL)

Percentage of teacher, parent and student agreement that: students are safe at school, are learning the importance of caring for others, are learning respect for others and are treated fairly in school.

		Province								
	2013	2014	2015	2016	2017	2013	2014	2015	2016	2017
Overall	95.4	92.0	94.4	95.4	97.4	89.0	89.1	89.2	89.5	89.5
Teacher	100.0	96,7	96.7	97.1	100.0	95.0	95.3	95.4	95.4	95.3
Parent	99.1	96.8	100.0	96.9	100.0	87.8	88.9	89.3	89.8	89.9
Student	87.1	82.5	86.6	92.1	92.1	84.2	83.1	83.0	83.4	83.3

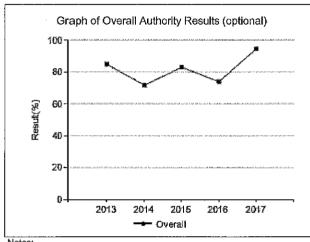

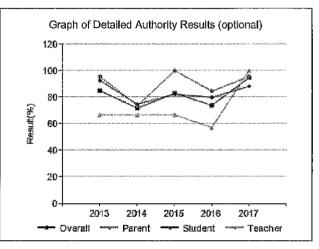

- 1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*),
- 2. Survey results for the province and school authorities were impacted by the changes in the number of students responding to the survey through the introduction of the OurSCHOOL/TTFM (Tell Them From Me) survey in 2014.

School Improvement - Measure Details (OPTIONAL)

Percentage of teachers, parents and students indicating that their school and schools in their jurisdiction have improved or stayed the same the last three years.

	Authority					Province
